MAKE OUR 2016 HOLIDAY TREE!

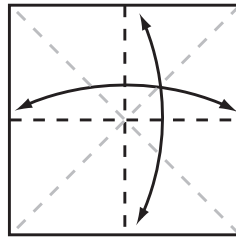

1. Print our Holiday tree pattern!

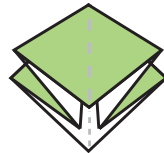

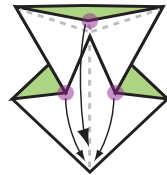

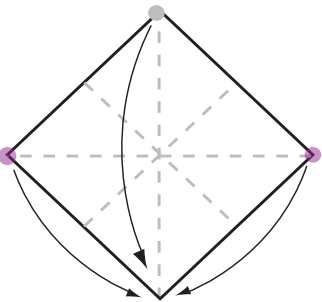

2. Cut the top portion of our pattern off, leaving a square, color side up.

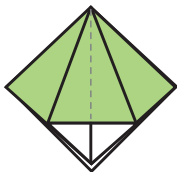

3. Fold the paper in half on the diagonal, crease well and open, and then fold again in the other direction.

4. Turn the paper over to the white side. Fold the paper in half, crease well and open, and then fold again in the other direction.

5. Using the creases you have made, Bring the top 3 corners of the paper down to the bottom corner and flatten.

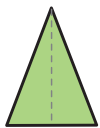

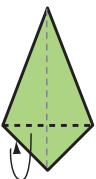

7. Make sure there are equal flaps underneath the model, and that the top flap is showing the color pattern.

8. Fold all of the flaps along this crease and unfold.

6. Fold one flap up to the center and flatten this flap. Repeat on the other 3 flaps.

9. Fold each color flap backwards underneath itself.

10. Now you can adjust your Holiday tree so it is even all the way around.
